OUACHITONIAN

1943

Dedication

Professor James Cleveland Stewart

The Staff of the 1943 Ouachitonian affectionately dedicate this annual to Professor J. C. Stewart for his unfailing interest in the welfare of every individual student and his close personal attention to their needs. We feel that the spirit of Ouachita College at war is embodied in him.

This 1943 Ouatchitonian may easily be the last annual published at Ouachita College for the duration of the present conflict, known as World War No. 2.

We ask the students to appreciate the difficulties we have had in publishing an annual in wartime and bear with us for such economical and necessary practices, as using some old plates for example.

We sincerely hope that you will all learn a lesson from this war which may add beyond measure to your ability to appreciate life and the more worthwhile things in it.

May you learn that the more beautiful things of life may be found in the most everyday places. Let us borrow a slogan from the Swedish Arts for Crafts Society and say, "More beautiful things for everyday life."

In this slogan we refer to concrete objects. Shifting our line of thought to abstract things, let us not fail to believe that the most worthwhile things of life don't just happen but are achieved by hard work and careful planning.

May the best of everything be yours, but do not be discouraged if it does not come easily.

President J. R. Grant

"War is honorable

In those who do their native rights maintain;
In those whose swords an iron barrier are
Between the lawless spoiler and the weak;

SELECTIVE SERVICE
ARKANSAS STATE HEADQUARTERS
OLD HIGHWAY DEPARTMENT BUILDING
SIXTH AND MARSHALL STREETS
LITTLE ROCK, ARKANSAS

January 21, 1943

Mr. Walter S. Mizell, Editor
1943 Ouachitonian
Arkadelphia, Arkansas

Dear Mr. Mizell:

I am returning herewith the photographs of six
Ouachita College beauties.

When I saw these six photographs I realized at
once that I was not qualified to judge this contest
without help. I therefore called to my assistance
three other disinterested persons. When they saw
the six photographs they said unanimously, "This is
the most beautiful group we have ever seen. Every
one of these girls is a queen in her own right." I
agreed with them.

After due consideration, my three helpers de-
cided first place should go to Miss Sara Stephenson,
and second place to Miss Charlene Quick. I concur
in that decision.

With best wishes.

Yours very truly,

E. L. Compere

TIGERS AT WORK

S P O R T S

Coach W. I. "Bill" Walton

Although the handicaps to be overcome in the 1942 football season were probably the greatest ever faced by Coach Walton, the record made by his Tigers was the best in his nine-year tenure at Ouachita. Before the season was much more than underway the major problem switched over from building a winning team to finding good competition for games. The result was that Walton had to schedule games on less than one week's notice, but the record shows that the Tigers won eight while losing only one. They defeated the state champion teams from Louisiana and Nebraska and had no college challengers in Arkansas.

Coach Walton's nine-year record is no less than remarkable when it is considered that Ouachita is the only denominational college competing with the state colleges of Arkansas. His teams have annexed three championships and only once has Ouachita finished below second under Coach Walton. He left March 15 to do his part in the Navy for the duration, but his successful coaching career has just begun.

RESUME OF SEASON

For nine years Ouachitonians have been watching Coach Walton's Tigers slowly but surely gain superiority on the Arkansas Gridiron. In 1941 Ouachita ran through Henderson, Teachers and Tech twice without allowing a score. Last fall the beginning of the 1942 season found the Tigers equally as strong as the previous year while the others seemed to be weaker than before. At this juncture, a little more than one week before the first scheduled games, the presidents of the colleges met and decided to call off all inter-collegiate athletics because of "transportation" difficulties.

It was only after a flood of persuasive requests, by students, Arkadelphia fans, alumni, and members of the Board of Trustees, that the administration of Ouachita decided to continue inter-collegiate athletics in the sincere belief that it provided a motivating power for a spirit of unity at Ouachita.

The record of the 1942 Tigers has already found its place in history — winning eight games while losing only one; piling up a total of 323 points to their opponents' 19; defeating the champion college teams in Nebraska and Louisiana while retaining the Arkansas championship; rated the best small college team in the United States by Litkenhaus' and Williamson's National ratings; and selection of Cecil Kemp and Carl Allen for Honorable Mention on the Little All-American team.

The rating of Dr. E. E. Litkenhaus gave the Ouachita Tigers better rating than such "big time" schools as Carnegie Tech, Rutgers, Virginia U., V. M. I., Wyoming U., Arizona U., Kansas U., George Washington, University of Maryland, Amherst, University of Arkansas, all of which is something to tell the grandchildren about!

INDIVIDUAL GAME SUMMARY

September 26

OUACHITA	26
McMURRAY STATE	0

The drives of Allen, Hardke, and McAlister proved to be too much for the Indians as they put across four touchdowns.

October 2

OUACHITA	32
MEMPHIS STATE	7

Touchdowns were Allen two, Nichols two, and Hardke one, as this trio, coupled with the lateral antics of the Harrison twins led the Tigers to victory.

October 9

OUACHITA	85
STINSON FLYERS	0

After this track meet one of the flyers was heard addressing his coach, "Well, Lieutenant, next year we'll bring baby tanks with us!"

October 16

OUACHITA	6
SOUTHWESTERN (LA.)	0

After coming out on the little end of all the statistics except scoring, the Tigers retained their clean slate. This time it was the Allen-to-Nichols passing combination.

October 31

OUACHITA	42
U. OF ARK. FRESHMEN	0

The University publication claimed this game, played in North Little Rock, was lost

because Walton had scouted the Shoats. Perhaps that is why their plays failed to click for a single point, but what did that have to do with "Snoz" Allen's romping across their goal line five times?

November 6

OUACHITA	0
UNION UNIVERSITY	12

Little All-American Casey Jones flashed passes for two scores in the first quarter, a deficit the Bengals were never able to overcome.

November 13

OUACHITA	6
LOUISIANA NORMAL	0

Homecoming game, cheering crowd, Queen and Maids looking on, third quarter, and—you guessed it! It was the Allen-to-Nichols passing combination again for 35 yards and the touchdown.

November 20

OUACHITA	62
L. S. U. NORTHEAST CENTER	0

Nine touchdowns was a feat to be proud of, but Coach Walton was prouder of the eight extra points out of nine attempts.

November 26

OUACHITA	64
PERU (NEB.) STATE	0

The Bobcats, Nebraska College champions, decided to stay in their own back-yard after this Thanksgiving Day Celebration for Ouachita.

TRACK AND TENNIS

Four Tiger Thinclads entered State A. A. U. meet last year and each made an impressive record, considering the absence of any pre-meet competition. Billy Gill East competed in the hurdle events against a Camp Robinson entry from New York University and won first in the low and second in the high hurdles. J. W. "Cotton" Jones won first in the javelin throw by breaking the record with a heave of 181 feet, 7 inches. "Deno" Nichols won second in the 100-yard dash and fourth

in the 220, while Aubrey Park took second in the 880.

The tennis team of Johnny Hall, Thomas Keys, Daniel Grant, and Wiley Caldwell had a creditable season and won matches over Arkansas State Teachers and Hendrix while losing to Henderson. In two matches with Little Rock Junior College they tied one and lost one. This same squad, reinforced by Lawson Jacks was back again in 1943, but the other colleges were not participating in inter-collegiate athletics.

Coach W. W. Bradshaw

In three years as basketball coach and director of athletics, Coach Bradshaw has made an increasingly successful record each year. Not only have the exploits of his basketeers gained in momentum, but also he has gained the respect and confidence of students, faculty members, and sports fans—local and statewide. They respect him as a square shooter, and appreciate the clean type of sportsmanship he instills into the athletes.

With a squad lacking in height but loaded with ability, Bradshaw built a team that lost only once against Arkansas opponents, and that to the University. When numerable troubles arising, almost caused a breakup of the team just before the State A. A. U. Tournament, it was largely due to the leadership of Bradshaw that the squad stayed together and won the state tournament in a walkaway. Next year Coach Bradshaw will not only have his hands full as Director of Athletics both for Ouachita Students and the Air Corps men, but will succeed Coach Walton as the head football coach.

ALL-STATE Third Consecutive Year

JOHNNY FURQUERON

Monotony is usually avoided by the Ouachitonian, but this is one case where exception to the rule is permissible. For the third straight year Johnny Furqueron impressed the sports fans with his great ability for ball handling, passing, shooting, and guarding, to such an extent that he was again elected to the All-Tournament team at the State A. A. U. contest.

LOUIS GENE NICHOLS

"Deno" is the other Tiger who was made the All-State Selection for three straight years. Although his scoring power usually overshadows all of his other abilities; his coolness during a game is a steadying factor for the whole team. He led the Bengals in scoring a gain this season.

BASKETBALL SQUAD

RESUME OF THE SEASON

Before the basketball season began, it was hoped that the other colleges would compete, since there was less problem of transportation than in football, and it was especially hoped that Henderson would play the Tigers in intercity games since crossing the ravine was the only transportation problem to be solved. However, the colleges didn't respond, and neither of these hopes was fulfilled, causing Coach Bradshaw to watch his quintet grow listless while running rough-shod over the independent teams of Arkansas.

The record against state competition shows that the Tigers won twelve games with only one loss, which was to the University of Arkansas before Christmas with only three of the Bengals starting line-up on hand. The

only other losses were close ones to out-of-state opponents, East Texas State Teachers and Memphis Naval Training Station.

For the second time in three years Ouachita won the State A. A. U. Tournament, averaging better than 80 points per game. They won in the finals 75-42, over the Wcrthen Bankers who had put out the Henderson Reddie intra-mural team in the semi-finals. Coach Bradshaw then took six Tigers to the National Collegiate Tournament in Kansas City, and with a two-day ride, seven in one car, as their only preparation for the first game, they lost to the crack quintets from Southwestern College of Winfield, Kansas. The seasonal total shows Ouachita as having scored 913 points to their opponents' 627.

The *KEY* To A Successful Annual is the *EYEDEAS*

A striking school annual, like an imposing architectural structure, must be designed from the viewpoint of eye appeal. Theme, layout, typography, and illustrations must be chosen with expert knowledge as to which combinations secure the most distinctive effect. For the past twenty years, the Peerless Engraving Company has been specializing in *Eyedeas* for school annuals. From this great backlog of experience, Peerless brings expert counsel to each school staff interested in achieving books of quality, fitted to the budget.
